

We Serve Today for a Better Tomorrow.™

DynCorp International is a global government services provider working in support of U.S. national security and foreign policy objectives, delivering support solutions for defense, diplomacy and international development.

WE SERVE TODAY FOR A BETTER TOMORROW

DynCorp International operates major programs in logistics, platform support, contingency operations and training and mentoring to reinforce security, community stability, and the rule of law.

We provide expertly conceived and professionally executed services to meet the complex demands of today's world. We have broad international expertise and over 60 years of experience working in remote, dangerous and austere environments. We integrate our many competencies to provide solutions that fit each customer and situation, and bring a culture of compliance, accountability and relentless performance to each program and task.

WE ARE GUIDED AT ALL TIMES BY OUR CORE VALUES

As a service company, our people are our greatest asset. We pride ourselves on the quality and commitment of our personnel, the agility and depth of our program management, and the standards of excellence and of professional and ethical conduct we uphold in all that we do.

We Serve – willingly in all locations and conditions.

We Care – for the safety, security, development and well-being of our employees.

We Empower – our employees to succeed in a culture based on trust, respect, loyalty and commitment.

We Perform – with a relentless commitment to exceeding expectations.

We Do the Right Thing – always, for our customers, employees and those we serve.

AIR OPERATIONS

GLOBAL SUPPORT SOLUTIONS

Global Specialty Aviation Support

Supporting counter-narcotics and security goals across the globe with comprehensive air operations and support solutions.

SOLUTIONS FROM DRUG ERADICATION AND INTERDICTION TO BORDER AND PIPELINE SECURITY PROGRAMS

The people of DynCorp International (DI) provide extensive specialty aviation support for efforts to reduce the flow of illicit drugs, strengthen law enforcement and eliminate terrorism.

On a daily basis, our FAA-screened and certified professionals execute critical missions across the globe. Supported by experienced pilots, mechanics and technicians – employing best-practices on the latest in equipment and technologies – each mission is carried out with maximum effectiveness and security.

Every program is self-sustaining, equipped with ample support staff, state-of-the-art materiel resources, and seasoned maintenance, logistics, security, and training experts. Services include:
