

We Serve Today for a Better Tomorrow.™

DynCorp International is a global government services provider working in support of U.S. national security and foreign policy objectives, delivering support solutions for defense, diplomacy and international development.

WE ARE GUIDED AT ALL TIMES BY OUR CORE VALUES

As a service company, our people are our greatest asset. We pride ourselves on the quality and commitment of our personnel, the agility and depth of our program management, and the standards of excellence and of professional and ethical conduct we uphold in all that we do.

We Serve – willingly in all locations and conditions.

We Care – for the safety, security, development and well-being of our employees.

We Empower – our employees to succeed in a culture based on trust, respect, loyalty and commitment.

We Perform – with a relentless commitment to exceeding expectations.

We Do the Right Thing – always, for our customers, employees and those we serve.

THE RESPONSIBILITIES ARE GREAT

Air Operations

SUPPORTING COUNTER-NARCOTICS AND SECURITY GOALS WORLDWIDE

DI provides extensive specialty aviation support for efforts to reduce the flow of illicit drugs, strengthen law enforcement and eliminate terrorism.

On a daily basis, our FAA-screened and certified professionals execute critical missions across the globe. Supported by experienced pilots, mechanics and technicians – employing best-practices on the latest in equipment and technologies – each mission is carried out with maximum effectiveness and security.

Every program is self-sustaining, equipped with ample support staff, state-of-the-art materiel resources, and seasoned maintenance, logistics, security, and training experts.

Services include:

- Aviation Operations
- Support Operations
- Specialty Operations
- Airborne ISR
- Host Nation Nationalization Training Programs

WE SERVE TODAY FOR A BETTER TOMORROW

DynCorp International operates major programs in logistics, platform support, contingency operations and training and mentoring to reinforce security, community stability, and the rule of law.

We provide expertly conceived and professionally executed services to meet the complex demands of today's world. We have broad international expertise and over 60 years of experience working in remote, dangerous and austere environments. We integrate our many competencies to provide solutions that fit each customer and situation, and bring a culture of compliance, accountability and relentless performance to each program and task.

Aviation

MAINTENANCE, MODIFICATIONS AND SUPPORT SERVICES

Our teams provide organizational, intermediate and limited depot-level maintenance and modifications for any type of aircraft around the globe. We also supply and maintain all types of ground support equipment and vehicles. Today, our aviation professionals and technicians support missions at more than 100 locations worldwide – maintaining the highest level of operational readiness at all times.

We install aircraft modification programs for a broad range of weapons systems and more than 70 engine types, updating entire fleets to 21st century mission-ready status. Group “A” and “B” kit designs, fabrication assembly, installation and modifications are carried out swiftly and skillfully. We also maintain and crew aircraft for specialized missions such as transporting personnel and equipment and combating forest fires.

Services include:

- PRESET and RESET Aircraft Maintenance and Modifications
- Aircraft Fleet Management
- Depot Support
- Quality Control — ISO 9000:2008 Certification and Federal Aviation Administration (FAA) FAR 145 Certification
- Complete Aftermarket Logistics Support
- Engineering Design, Kit Manufacture and Installation
- Aircrew Services

Contingency Operations

HUMANITARIAN AID, PEACEKEEPING AND DISASTER RELIEF

We conduct comprehensive contingency operations services for a variety of needs including: humanitarian aid, post-conflict peacekeeping and rapid-response disaster relief. From planning through execution and overall program management, DI provides flexible solutions that are quickly and carefully crafted to meet the situation requirements – tailored and rapidly delivered at any global location. Building on our legacy as a preferred provider to the U.S. government and Armed Forces for more than 60 years, we provide an extensive global infrastructure that delivers rapid deployment and cost effective results.

Offering worldwide expertise in all aspects of site operations, we deliver the most complete and flexible support available in the marketplace. Our qualified and experienced professionals combine extensive real-world experience with resourceful, innovative planning to create the right solutions for the most challenging needs. We can deploy initial response teams to any location within 48 hours of notification. We take pride in delivering adaptable, self-sustaining solutions that can be quickly deployed, integrated and dispatched anywhere, any time. Services include:

- Disaster Readiness and Response
- Logistics and Supply Chain Management
- Infrastructure Engineering and Construction Management
- Transportation
- Equipment Maintenance and Modifications
- Information Technology

Development

SUPPORTING STABILITY AND HUMAN PROGRESS ACROSS THE GLOBE

The combined strengths and experience of DI, World Wide Humanitarian Services (WWHS), and Casals & Associates are enhanced with the creation of DI Development; this emergent capability ensures the provision of effective responses to emergencies, conflict, post-conflict and transition programs globally, the application of innovative and sustainable solutions for long-term development success, and the application of the wider capabilities of DI to support the international development arena.

DI Development's unique delivery model, combined with our extensive global infrastructure, gives us access to the resources and the necessary means to deliver highly effective, customizable and agile solutions to emerging or long-term development needs rapidly and at scale. Services include:

- Justice and Governance
- Stabilization and Reconstruction
- Humanitarian Assistance

Intelligence Training and Solutions

EMPOWERING INTELLIGENCE PROFESSIONALS AND BRIDGING LANGUAGE BARRIERS

DI Intelligence Training and Solutions offers our customers access to world-class intelligence training and solutions including:

- The Phoenix Training Center, an all-in-one, standalone facility where our dedicated professionals and role-players provide highly-specialized training for intelligence, counterintelligence, special operations and law enforcement personnel
- Experienced Personnel for service support to government and military organizations
- Subject Matter Expert and Support Services

Global Linguist Solutions (GLS) is a joint venture between DI and AECOM NSP (National Security Programs), formerly McNeil Technologies. Together, with DI and AECOM, GLS brings extensive experience in the deployment and sustainment of large-scale linguist operations and the management of linguist contracts in support of the U.S. government. Services include:

- Translation Specialists Recruiting
- Language Training
- Field Translation Support for U.S. Forces

Operations and Maintenance

MAINTENANCE, MODIFICATIONS AND TRAINING

We support critical military base operations as well as vehicle and ground support equipment needs globally with end-to-end professional services and technical support. From rapid-response field assignments to long term engagements, we provide the world's most comprehensive array of integrated solutions to ensure our customers' success.

Our teams provide organizational, intermediate and limited depot-level maintenance for hundreds of types of vehicles and ground support equipment around the globe. Today, our ground support equipment professionals and technicians support missions at multiple locations worldwide – maintaining the highest level of operational readiness at all times. Services include:

- RESET and LBE Maintenance and Modifications
- Fleet Maintenance
- Depot Support
- Quality Control – ISO 9000:2008 Certification
- Complete Aftermarket Logistics Support
- Armor Replacement and Up-Armor Modifications
- Kit Manufacture and Installation
- Field Service Repair and Kit Installation
- User Test Training
- Instructor and Key Personnel Training

Security Services

GLOBAL PREVENTION, DETERRENCE AND RAPID RESPONSE

We deliver flexible and rapidly-deployable, integrated security solutions to suit any situation in any part of the world. We work closely with customers to assess risks and apply the right mix of professional services and advanced technologies.

DI is the industry leader in providing experienced law enforcement and security professionals to missions around the world. A global recruiting network allows us to select skilled and seasoned professionals who understand the need to work with respect, whether at home or in other cultures abroad. We are a central source for licensed law enforcement personnel who can provide security services or augment existing departments worldwide. Services include:

- Experienced Program Management
- Licensed Law Enforcement and Security Professionals
- Protective Security Details
- Command and Control Centers
- Convoy Training and Operations
- K9 Teams
- Weapons Systems Maintenance and Management
- Border Enforcement Advisors
- Facility Security and Asset Protection
- Biometric Identification Systems
- Intelligence Collection and Analysis
- Electronic Systems Management

Training and Mentoring

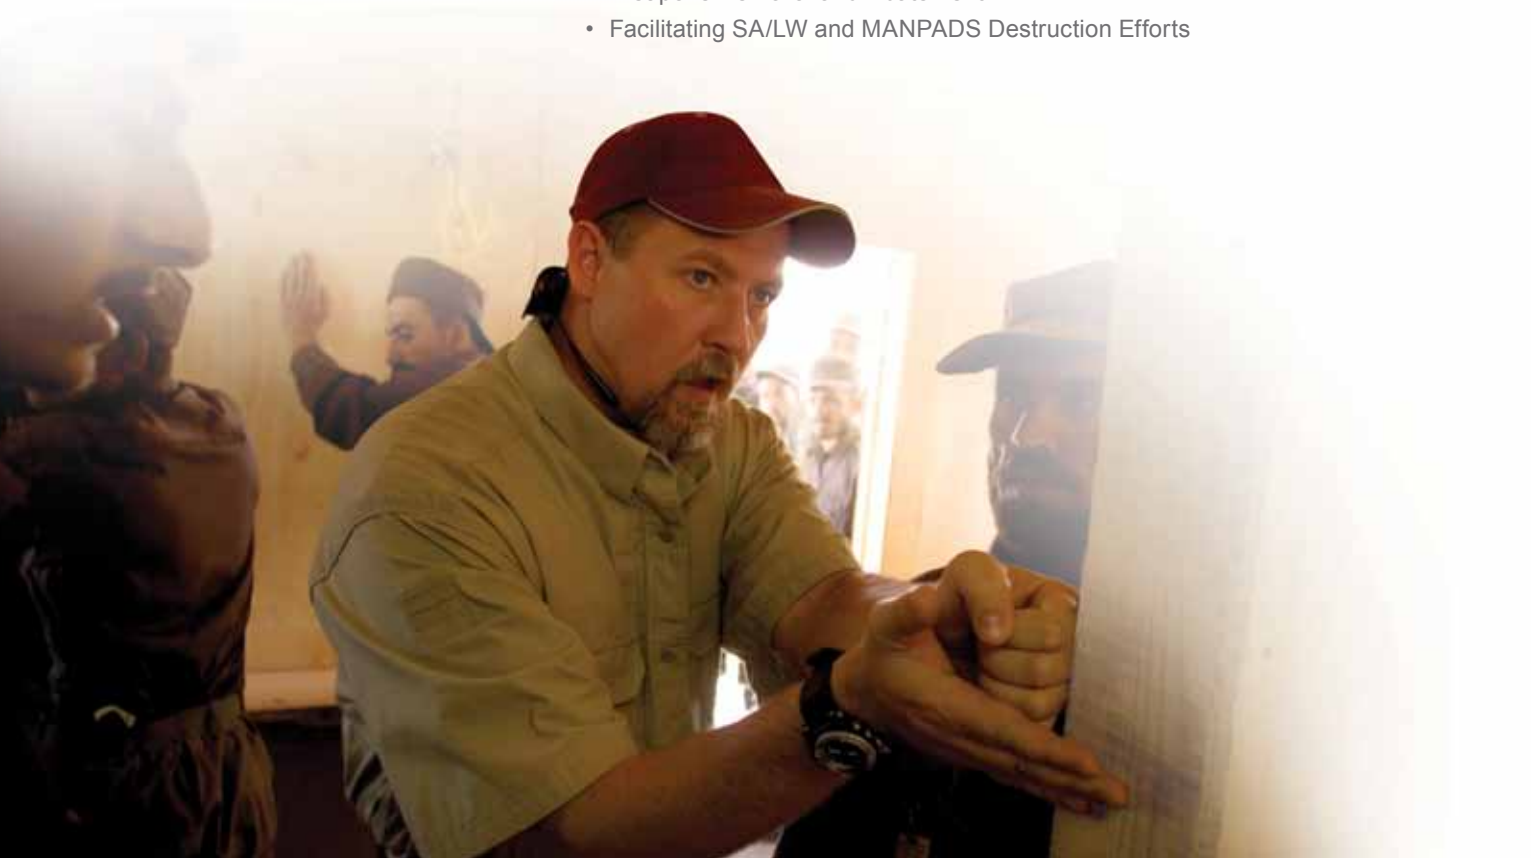

GLOBAL TRAINING AND MENTORING SOLUTIONS

We provide integrated basic and advanced training and mentoring solutions to suit any situation in any part of the world. Our focus is primarily on security sector reform, but includes nation building support for the emerging ministries of interior and defense in underdeveloped nations recovering from conflict or political instability. In addition, we maintain sustained Weapons Removal and Abatement programs worldwide, assisting and training in the disposal, destruction and safe handling and proper storage or securing of small arms and light weapons (SA/LW), stockpiled munitions, abandoned ordnance, man-portable air-defense systems (MANPADS), and other conventional weapons.

We are a central resource for licensed law enforcement personnel who can provide training, security services or augmentation of existing police forces worldwide. Since 1994, governments have relied on us to find, train, deploy, and support U.S. civilian police to assist and train local police forces in post-conflict nations. As our programs grow, so does our reputation for success. Services include:

- Nascent Police and Criminal Justice Institution Support
- Law Enforcement Policing
- Police Training
- Mentoring, Equipping and Sustaining
- Protecting Victims of Conflict
- Restoring Access to Land and Infrastructure
- Developing Host Nation Capacity
- Advancing Peace and Promoting Conflict Resolution
- Weapons Removal and Abatement
- Facilitating SA/LW and MANPADS Destruction Efforts

Our people make the difference.
