

We serve today for a safe tomorrow.™

DynCorp International is a global government services provider in support of U.S. national security and foreign policy objectives, delivering support solutions for defense, diplomacy, and international development.

WE SERVE TODAY FOR A SAFE TOMORROW

DynCorp International operates major programs in logistics, platform support, contingency operations, and training and mentoring to reinforce security, community stability, and the rule of law.

We provide expertly conceived and professionally executed services to meet the complex demands of today's world. We have broad international expertise and over 60 years of experience working in remote, dangerous, and austere environments. We integrate our many competencies to provide solutions that fit each customer and situation, and bring a culture of compliance, accountability, and relentless performance to each program and task.

- Aviation
- Land Systems
- Training & Mentoring

WE ARE GUIDED AT ALL TIMES BY OUR CORE VALUES

As a service company, our people are our greatest asset. We pride ourselves on the quality and commitment of our personnel, the agility and depth of our program management, and the standards of excellence and of professional and ethical conduct we uphold in all that we do.

We Serve – willingly in all locations and conditions.

We Care – for the safety, security, development, and well-being of our employees.

We Empower – our employees to succeed in a culture based on trust, respect, loyalty, and commitment.

We Perform – with a relentless commitment to exceeding expectations.

We Do the Right Thing – always, for our customers, employees, and those we serve.

TRAINING & MENTORING

From immediate deployment to sustained presence, we provide comprehensive police training, security consulting, personal security, security systems, and emergency response support. We are a central resource for licensed law enforcement personnel who can provide training, security services, or augmentation of existing police forces worldwide.

- CIVPOL Police Training
- Nascent Police & Criminal Justice Institution Support
- Law Enforcement Support
- Mentoring, Equipping, & Sustaining Forces
- Personal Security
- Security Systems

LOGISTICS

We support large-scale military deployments and humanitarian aid operations across the globe. When the need is for a turnkey solution, we provide self-sustaining programs that not only supply and maintain the mission but fulfill the critical operational roles of site development and operations, communications, security, and training.

- Supply Chain Management
- Equipment Maintenance & Operation
- Personnel, Equipment, & Materiel Transport
- Facility Support/Utilities/Sustainment
- Information Technology

CONTINGENCY OPERATIONS

Every day across the globe we move, pre-position, maintain, and repair facilities, equipment, and supplies for military deployments, humanitarian operations, and disaster relief. From development and management of comprehensive long-term humanitarian aid programs to rapid-response disaster relief, our adaptable contingency operations solutions are quickly and carefully crafted to fit the need.

- Disaster Readiness & Response
- Personnel, Equipment, & Materiel Transport
- Expeditionary Infrastructure Engineering & Management
- Telecom & Internet Communications
- Hazardous Waste Management
- Airfield, Aircraft, & Support Equipment Operations & Management

INFRASTRUCTURE

We offer a broad range of integrated technical and professional infrastructure services including engineering, construction, and facilities management, security, logistics, and contingency support.

- Barracks & Forward Bases
- Public Works
- Utilities
- Transportation Facilities

INTELLIGENCE

We serve the U.S. Army Intelligence and Security Command (INSCOM) in support of U.S. Forces by providing interpretation, translation, and linguist services.

- Translation Specialists Recruiting
- Language Training
- Field Translation Support for U.S. Forces

Through our Phoenix Training Center, and its recognized curriculum, we provide Intelligence Training and Solutions with over 300 experienced national security professionals.

- Training for Intelligence, Counterintelligence, Special Operations, & Law Enforcement Personnel
- Experienced Personnel for Service Support to Government & Military Organizations
- Subject Matter Expert & Support Services
